

SOCIAL INCLUSION OPPORTUNITIES

# TANGIBLE HERITAGE

*collection of ideas*

## ROGATEC OPEN AIR MUSEUM

The open air museum Rogatec is working on different projects that are taking place at the Rogatec Craft Center and the eco- herb garden. The main task of projects is the establishment of a craft centre, interaction of different generations including disadvantaged citizens (long term unemployed, young people, women) sharing of knowledge, diversification of tourism offer.

### OBJECTIVE

SOCIAL RESPONSABILITY AND SUSTAINABILITY - by bringing together people who make a living through local materials and know-how, as well as new opportunities and insights.

## WHAT OFFERS?

The Center also offers employment to disabled and other vulnerable groups from the Obsotelje and Kozjansko region.

### MISSION

The mission of the Handicraft Centre is to discover and develop people's potential as well as to co-create space and opportunities for the development of entrepreneurship and tourism, and to preserve the natural and cultural heritage.
