“EU NATURAL HERITAGE” PUNCH PROJECT EVENT

Organized by the Municipality of Vila Nova de Cerveira

7th – 8th April 2021. - Vila Nova de Cerveira (Portugal) – Online Event

PUNCH Project (Participation of Underrepresented citizens for the valorization of the Cultural Heritage) is a network of 16 partners (local administrations and civil society organisation) from 13 countries. Its main aim is to give underrepresented groups the opportunity to intervene in the debate of the EU policies about the valorization of the Cultural Heritage.

The PUNCH project is organizing the **4th International ONLINE Meeting** on EU policies and programs to promote the Valorization of Natural, Tangible and Intangible Heritage on the 7th and 8th of April, organized by the Municipality of Vila Nova de Cerveira (Portugal), through of a ZOOM event.

During this event, participants will have the opportunity to experience the oldest Art Biennial in the Iberian Peninsula, the "Cerveira International Art Biennial", and "Aquamuseum inside and outside doors". The event will also be a time for sharing good practices between partners on the topic of this event.

The Municipality of Vila Nova de Cerveira invites you to participate in this event, organised within the framework of the PUNCH project, and kindly ask you to:

- 1) **reply to this email confirming your organisation will be attending the event;**
- 2) **register the participants before April 5, through the following link:**
<https://docs.google.com/forms/d/1lePqoLsPTQycBx5j1ZyII-NhMAivKiNq1Rpf5rGNhGc/edit>
- 3) During the second day, 8th April, the partners will be asked to present the best practices for the valorization of the European Natural Heritage, thus **we kindly ask you to fill in the file [HERE](#) the participants who will make the presentations so that we could arrange the agenda properly (5 minutes per presentation), with a timeline of all the presentations. This should be done before April 05th.**

On April 6, we will send via email to all the registered participants the link to the ZOOM platform.
